NEBOSH National General Certificate

11 DAYS

This in-depth programme provides an excellent basic grounding in the essentials of H&S enabling you to comply with regulations. Get to grips with the legal framework, your moral and economic requirements, and implications for good standards in H&S within an organisation.

- Overview of H&S legislation
- Affective health and safety improvements
- Assist with managing contractors
- Risk Assessments
- Develop safe systems of work
- Health & safety management systems, monitoring, reviewing and auditing
- Positively influence a H&S culture
- Recognise workplace change and the impact
- Investigating & reporting accidents at work

Delegates are required to attend 2 weeks of face to face study with our expert tutor followed by an exam day. In September 2019 NEBOSH launched an update of the National General Certificate. The syllabus has been streamlined to concentrate on the key core skills, uses straightforward terms and language and learners are assessed with a combination of one assessment paper to assess what you know and one practical risk assessment to assess what you can do. Please note: NEBOSH expects all learners to self-study for a minimum of 40 hours. Learners will be set homework designed to help prepare for the examination day and the post-course practical assessment.

Assessments:

NG1: Exam - Management of Health & Safety

NG2: Practical - Risk Assessment

Our tuition is also recognised for those who wish to undertake the IWFM level 4 unit assessment FM4.05 Managing Health & Safety in Own Area of FM. Please note additional fees will apply. Please call us on 020 7469 1398 if you would like further information.
