

BIFM Qualifications in Facilities Management

Choose between blended learning (face to face & online) or online only.

Level 3 Qualifications

Level 3 is for anyone new to FM with less than two to three years' experience in an FM role, or first line managers seeking an FM qualification. They will help learners to develop knowledge and specific skills in facilities management alongside a wide range of leadership and management skills.

How do they work?

Within each level there are 3 sizes of qualification (Award, Certificate and Diploma). All qualifications are made up of units of learning, which have credit values [see overleaf]. For each unit you will need to complete a work based assessment to be submitted post your course.

In House Delivery

We offer in-house delivery of the Level 3 qualifications for organisations. Please contact us to discuss the program and fees.

BIFM Membership

Non-members receive one year free membership upon registration. Existing and lapsed members need to renew their membership if they wish to benefit from membership during the qualification.

Concessionary rates apply for unemployed learners.

Our Tuition - is based upon a selection of short courses from the long-established Quadrilect programme. It is designed to give you a fully rounded learning experience, so we not only cover all the unit learning outcomes, but the wider context too. Quadrilect helps to make you more effective in your day-to-day role, while you gain your qualification. We also have a comprehensive online tuition package which has 8 modules ranging from Property Management, Space Planning, Health and Safety and more.

Your Study Plan - Once you have decided which qualification you would like to do we will agree a study and assessment plan with you timetabling your tuition and assessment dates.

BIFM Qualifications in Facilities Management

KEY

M = Mandatory

O – Our suggested optional unit
